Washington, D.C. 20231

Sir:

In response to the Advisory Action of January 21, 2003, please reconsider this  
application in light of the following Remarks:

### REMARKS

Since only an unexecuted copy of the Declaration of Dr. Samuel D. Harkness, IV was submitted with the Response filed January 13, 2003, the Examiner has not considered the unexecuted Declaration. This is evident from the Advisory Action in which the Examiner has NOT checked out box 5(a). The executed copy of the Declaration is attached herewith. Applicants respectfully request the Examiner to reconsider this application in light of the executed Declaration.

In light of the above, the anticipation and obviousness rejections should be withdrawn and a Notice of Allowance is respectfully solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952, docket No. 146712001400.
